

# **Building Impact** Planning for our next 20 million meals

DESIGN PHASE April-October 2023

In support of its 2025 Strategic Plan, MOWRI conducted a facility study and its board of directors approved a design to modernize its 70 Bath Street location for operational efficiency and organization growth.

# **OPPORTUNITY** PHASE July-December 2023

With support of a generous corporate donor, MOWRI prototyped space use and conducted building readiness to accommodate new furniture, fixtures, and equipment.

### **FUNDAMENTALS** PHASE January 2024-

December 2025

We are laying the foundation for full renovations by focusing on compliance, and urgent space improvements and enhancements including to the building exterior and our food pantry.

A \$2 million renovation of MOWRI Providence headquarters.

## **MODERNIZATION** PHASE 2026

Work will focus on renovations designed to modernize our headquarters for long-term use, including improvements to our delivery and call centers.

BEAUTIFICATION PHASE 2027

This phase will focus on final upgrades and enhancements to complete the renovation and position the building for increased physical use, including signage and landscaping.
